

Bela Tozser

general and engineering managi

Envihorizont LTD

<http://www.envizont.eu>

Bilateral Meetings

- Thursday (10:00 pm - 12:30 pm)

Description

Integrated engineering activity on field of climate-environment-health protection,bioenergetics,biotechnologies and sustainable development

Organization Type

Company

Phone

+36209293047

Email

gemd@envizont.eu

Country

Hungary

City

Szekszard, Rizling 11 [Google map](#)

Areas of Activities

Environment

Water

Wastewater

Waste to energy

Renewable energy

Sustainability

Climate

Biotechnology

Soil protection

Solid waste

Air

Noise protection

Offer

Training for students,doctorands and PhD doctorands and young engineers

Sommer or other period's trainings on integrated bioengineering, bioenergetics,climate- environment protection, sustainability in English,French,German languages

Cooperation Offered

1. Technical co-operation
2. Other

Cooperation Requested

1. Investment/Financing

Offer

Implementation of sustainable development bioengineering complexes

The various size and technical content's complexes industrielles is adaptable worldwide harmonized to specific activities and needs,serving the zero carbon emission,high bioenergetical and economical efficiency.
